

# summer 2025

## **Session 1- A Universe of Stories (June 9-20)**

Jump into the universe of literacy through songs, rhymes, riddles, and tongue twisters! We will bring songs like "Five Little Monkeys" and rhymes like "Rain, Rain Go Away" to life. Children get to pick from a Sticker Bag and roll Story Cubes and create stories of their own. We will share dinosaur, dragon, goblin and magical tales and immerse in stories through activities that will excite your child's imagination as well as provide reading readiness skills.

## **Session 2- Creative Art Adventures (June 23-July 3)**

Inspired by Monet, Kahlo and Picasso, our budding artists explore artistic expression using paint, watercolors, clay, and an array of colorful natural and everyday household materials and bring to life their imagination. They get to innovate, experiment and create everything to their colorful hearts' content.

## **Session 3- All Around the World (July 7-18)**

Children get to learn, experience and celebrate diverse cultures and traditions as we travel to different countries using books, art, music, dance and food. We will have English Tea Time, learn to Bollywood dance, and do the Mexican Hat Dance. We'll test our culinary skills and make tacos, fruit turnovers, fried rice and lumpia! We welcome families to share their culture through food, crafts or music in the classroom.

## **Session 4- Water Play (July 21-August 1)**

We'll beat the summer heat with a deluge of water in all forms and sources. Get wet from the Water Blast, the Octopus Wiggler and Water Boat. Children will spray paint with rainbow water, blow and pop bubbles, give "babies" a bath or "fish for the most fish" in a pond. We'll run wet and wild in our bathing suits and enjoy a shower everyday (weather permitting)!
