

## Summer Fun!

Session 1: June 15 – July 2

Session 2: July 6 – July 31

Discover the fun of learning and engaging creatively. Choose Session 1, Session 2, or both sessions. Each session will be full of safe hands-on learning activities. Our classes will have limited enrollment.

Daily activities will stimulate critical thinking skills, hands-on projects will motivate and engage your child's creativity, and our state-of-the-art outside play environment with water feature will provide loads of summer fun!

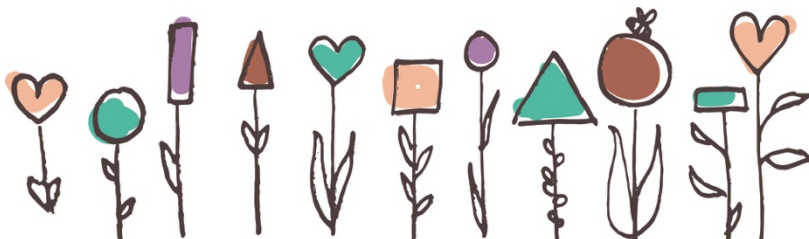

For children going to kindergarten in the fall we are offering a **kindergarten readiness program**. Our curriculum is designed to make sure your child is ready for school in the fall with a review of letters, numbers, sight words, writing, colors, shapes, vowels, plus science, art and children's literature.
